UNIVERSIDAD
NACIONAL DE
SAN MARTÍN

We invite you to participate in the XI Argentine Congress of Embedded Systems (CASE2020), to be held at UNSAM, Buenos Aires, Argentina, 22 – 24 July 2020.

Papers can be submitted in three categories: “Paper”, “Technical Forum” and “Report”. Manuscripts can be written in English or Spanish. Works will be received at the site [CASE2020 easychair](http://CASE2020_easychair), according to the conditions and format described at [works format](#).

Participation in CASE2020 is free and includes the publication of the work in the Proceedings of the Conference, with registered ISBN and on the website of the event, as in previous editions.

Papers accepted in "Technical Forum" and "Article" will be invited to present an extended version of their work in indexed journals and in various databases.

Works that have not been presented during the poster session of the event (all works) and / or oral presentations (outstanding works) will not be published. This conference is subject to IEEE plagiarism standards; please read [here](#). Authors cannot submit to CASE works published or presented for publication in other places.

Important due dates

Deadline for paper submissions: [May 4th, 2020](#)

CASE2020: July 22 - 24, 2020
